reflective striping

**EXCLUSIVE!**

**BUILT IN DOCKLIGHTS WITH LED**

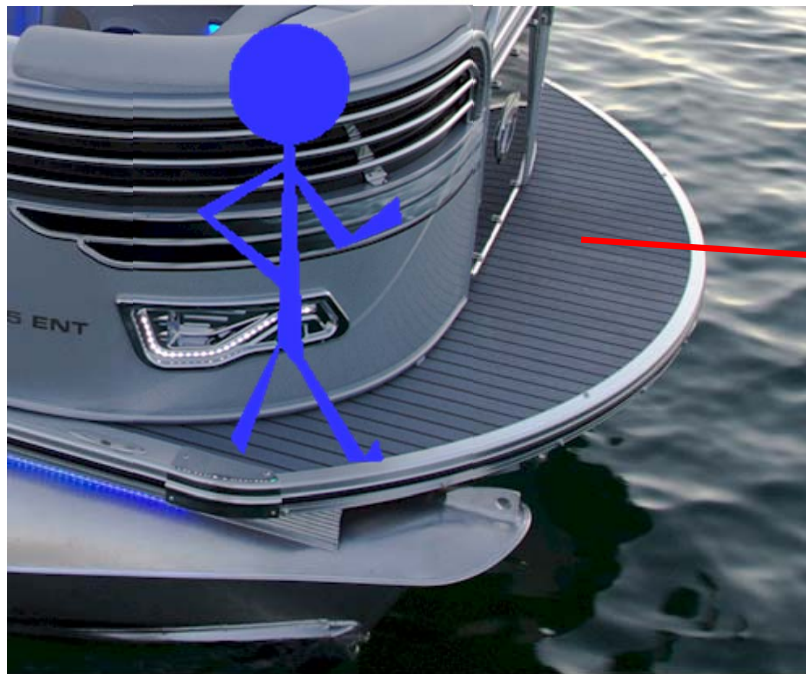

# COMPARE!

Built in docklights are less prone to damage and are not a trip hazard

# EXCLUSIVE!

## External wall skins

# COMPARE!

## External wall skins

- Will not collect dirt and moss like exposed railing. Also there is no air flow between the wall skin and backrest of seat.

# EXCLUSIVE!

- One Touch Bimini top connection –aluminum

# COMPARE!

- Competitor plastic snap connector – can be bumped and disengaged.

**EXCLUSIVE!**

Avalon hydrodynamic  
Waveglider lifting fins were  
MADE for what they do.  
That's why we GLIDE!

Water gets contained in the  
cupping and results in lift!

**COMPARE!**

Competitor only is common  
angle - Where's the lift?
